3. All scheduled and known assets of the estate have been reduced to cash, released to the debtor as exempt property pursuant to 11 U.S.C. § 522, or have been or will be abandoned pursuant to 11 U.S.C. § 554. An individual estate property record and report showing the disposition of all property of the estate is attached as **Exhibit A**.

4. The trustee realized the gross receipts of \$ 2,995,990.24

Funds were disbursed in the following amounts:

Administrative expenses 720,365.94

The remaining funds are available for distribution.

5. Attached as **Exhibit B** is a cash receipts and disbursements record for each estate bank account.

<sup>1</sup> The balance of funds on hand in the estate may continue to earn interest until disbursed. The interest earned prior to disbursement will be distributed pro rata to creditors within each priority category. The trustee may receive additional compensation not to exceed the maximum compensation set forth under 11 U.S.C. § 326(a) on account of the disbursement of the additional interest.

6. The deadline for filing claims in this case was 06/06/2005. All claims of each class which will receive a distribution have been examined and any objections to the allowance of claims have been resolved. If applicable, a claims analysis, explaining why payment on any claim is not being made, is attached as **Exhibit C**.

7. The Trustee's proposed distribution is attached as **Exhibit D**.

8. Pursuant to 11 U.S.C. § 326(a), the maximum compensation allowable to the trustee is \$113,128.01. To the extent that additional interest is earned before case closing, the maximum compensation may increase.
